## Plan Advanced In In Renewed Move For Incorporation

Steps are being taken this week to revive local interest in the plan to incorporate the community of Truckee and Donner Lake into a city.

Under the sponsorship of the Donner Area Junior Chamber of Commerce, a committee, headed by Fred Hodder, has been formed to secure additional signatures on a petition asking the Nevada County Board of Supervisors to call an election to decide the important issue.

For the past two years efforts have been made to bring the matter to a vote. Petitions were circulated and when filed it was discovered that a few names were lacking. The board of supervisors each month has delayed action on the petition pending completion.

The incorporation committee, now headed by Fred Hodder, was formed and letters and petitions to absentee land owners are being mailed out to get the required number and bring the matter to a vote.

Other members of the committee, announced by Hodder, are Oliver Crose, treasurer; Melba Giovannoni, secretary; Dr. Robert Affeldt, Ray Craig, Ametta Firpo, Georgiana King, Doris Lucchesi, Kitty Money, Bess Reid, Zeph Rose, Harry Stout, Pat Tonini, James Walker and Nancy Wilkins.

**Probable Redistricting**

Proponents of incorporation have pointed out that with the prospects for redistricting the supervisorial districts in the county in the near future, it could conceivably leave Truckee without even one man to represent this end of the county at the county seat. The district, if and when redistricting becomes required, will embrace a large portion of the area in the Nevada City community, where it would be entirely possible to elect a supervisor for the fifth district.

Other reasons, aside from the principal one of being self-governed, for incorporation were listed as the community's present inability to share in the various tax refunds including sales and use taxes, motel and hotel occupancy taxes, gasoline and motor vehicle license fees and taxes, liquor license taxes and numerous and sundry other refunds and grants from the state and federal governments.

**Self Government**

It was also pointed out that Truckee-Donner has only a small voice in the governments which rule the area. Seven or eight districts, with five members each comprise the governing agencies here and this could be materially cut down and consolidated through incorporation.

It was emphasized that the committee is not necessarily sponsoring incorporation but is organized to bring the matter to a vote and let the people decide whether or not the answer to local problems lies in a self-governed community, capable of managing its own affairs and eligible to receive the benefits available.

The Donner Area JayCees have contributed $300 to the financing fund for the initial work required and other organizations and individuals are asked to donate to bring this important issue to a vote.

## THREE DIRECTORS TO BE ELECTED NOV. 8TH

The offices of three members of the board of directors of the Truckee-Donner Recreation District are to be filled at the time of the general election on November 8.

Petitions of nomination for persons wishing to run for the offices may now be picked up at the District Office, Tahoe Truckee Agency, at Truckee.

The petitions of nomination must be filed in the District Office on or before September 10, 1966. Further information may be obtained by contacting Randy Bobby, district superintendent at 587-3090 or 587-4245.

## PASSENGER IS CITED IN FREEWAY WRECK

A car driver was cited for speeding and his passenger for interfering with the driver following a rear end collision involving two cars near Floriston at 4:10 p.m. last Friday.

According to the California Highway Patrol, Genaro Cruz, 24, New York was traveling west when he lost control and his passenger grabbed the steering wheel. The vehicle crashed into the rear of one driven by Doyle Buck, 29, Santa Ana. None was badly injured.

## ASSUMPTION GUILD PLANS AUGUST SALE

Members of the Assumption Guild are preparing for a rummage sale to be held in the Capitol Cafe building in downtown Truckee August 18, 19 and 20.

Anyone wishing to contribute saleable items to the cause are asked to contact Mrs. Lillian Sites and they will be picked up and welcomed.

## Fire Danger High; Warning Issued As Logging Is Halted

Fire dangers in the national forests are graded by numbers, with 40 being the serious danger point and 100 the maximum.

In the Truckee district of the Tahoe National Forest this week the number is in the high 80's, indicating the fact that a fire could almost start itself with the dry grass and brush, extremely low humidity, hot weather and a strong breeze.

On the Plumas National Forest last weekend, where more than 2,000 acres were burned over, the figure had reached the 100 mark, Henry Toccalini of the Truckee office reported. The inmate crew from Hobart Mills was dispatched to the Plumas fire Sunday.

Monday, the helicopter was sent to Grouse Ridge in the Big Bend district where a potentially dangerous fire was extinguished.

It was so dangerous this week that logging operations on government lands were shut down by the forest service pending some relief in the situation.

No fires were reported in the Tahoe Forest during the past week, but patrolmen and others were on constant guard and visitors to the forest were apparently using caution in the handling of fire.

## Sportsmen To Hold Barbecue Sunday

The Truckee Outdoor Sportsmen will hold a barbecue and picnic starting at 2 p.m. on Sunday, July 31 at the Truckee-Donner Recreation park on the Brockway shortcut.

Admission to the steak dinner will be free to holders of the new membership cards. A charge of $2 will be made for all other members and their guests.

Horse-shoes, baseball and other activities are scheduled. In charge of the arrangements are Dorothy Fordham, Belle Alexander, Cora Miles and Lola Decker.

## Driver Injured In Sagehen Accident

The driver of a pickup truck, Robert D. Fassino, 29, Grass Valley, experienced a narrow escape from death at 1:15 Monday morning when his vehicle and a 10-wheel truck operated by Joe Wilson Wood, 50, Reno driving for the Nevada Paving Company collided headon near Sagehen Summit.

State Patrol Officer Tom Hunt, who with Officer Carroll Maynard, investigated, said the big truck was traveling south and the pickup north when a third truck pulled off onto the shoulder raising a thick cloud of dust which obscured the vision of the other drivers. Their vehicles both veered to the center of the highway and the pickup was demolished.

Fassino was taken to the Tahoe Forest Hospital by Truckee Ambulance and his condition was described as not serious.

## ZACHARY KAY FETED AT BIRTHDAY PARTY

Zachary Kay was eight years old on July 19 and in celebration of the event his mother, Mrs. Charles Kay arranged a party with four friends of the celebrant and the afternoon was spent in games concluded by the serving of refreshments including a decorated birthday cake.

Sharing in the event were Dennis Zirbel, Danny Bennett, Tom Campbell and Kurt Harris.

## FIVE ARE BURNED IN TAHOE BOAT MISHAP

TAHOE VISTA — Five Reno residents escaped with minor burns Saturday when an inboard motorboat exploded and burned here.

The Placer County Sheriff's Marine Patrol said Harold J. Humes, Terry Humes, John L. Hart, Patricia Neville and her son, Mark, 4, were forced to jump from the boat when it burst into flame shortly after it was refueled.

Sgt. Angelo Chiaratti said fumes apparently had accumulated in the $2,000 boat.

## Junior Chamber To Sponsor Sport Car Climb Up Donner

Probably the biggest sporting event ever planned for this immediate area will take place September 17 and 18 when the Donner Area Junior Chamber of Commerce will sponsor a sports car hill climb on Donner Grade on old Highway 40.

In what is apparently their final meeting, members of the Nevada County Board of Trade last week pledged another $1200 to assist in financing the event. If the board of supervisors concur with the board of trade, this will bring the total sum pledged to the event up to $1850, the Truckee-Donner Chamber having voted $250 and the board of trade previously allocating $400.

James Harris, president of the Jaycees expects the climb will attract nearly 10,000 spectators and reservations for the event are already coming in, he said. National publicity through an extensive promotional program will come to the county, Harris explained.

The climb will be limited to 100 cars and the Nevada Sports Car Touring Association will lend technical assistance.

Harris said that experts in the sports car world have described Donner Grade as the best site west of the Mississippi for a hill climb. A committee is currently working on safety, sanitary and emergency phases for the races.

Thousands of circulars and other promotional material are being sent to all areas in the country, particularly to the sports car organizations.

## Verdi Suspects Are Nabbed In Truckee

Two Pennsylvania men, charged with burglarizing a laundromat at Verdi, Nevada, were apprehended in Truckee shortly after midnight Saturday by sheriff's deputies backed up by officers of the California Highway Patrol.

The two men, John Andrew Dean, 59, Landcaster, Pa., and William Dayton Faris, 32, Millertown, Pa., waived extradition and were returned to Nevada.

An all points bulletin advised local officers of the burglary and the fact the suspects were headed west on Interstate 80. The car was spotted by Deputies Al Woods and John Pyle and followed into town, where Patrol Officers Glen Virus and Phil Willard were asked to assist.

Found in the suspects' car was a tire iron believed to have been the burglary tool and $17.50 in quarters thought to have been the loot from the laundromat.

## PICNIC LUNCH TO BE HELD AT DONNER

TAHOE CITY — The Federated Women's Club of Tahoe City will have a picnic luncheon at Donner Lake at noon August 4.

Hostesses will be Isabel Brucklacker, Gladys Friday, Marjorie Spafford, Lucille Hull, Stella Watson, and Florence Westerland. The luncheon at the park will be $1.50 plus 50 cents entrance fee for each car.

The Women's Club was instrumental in getting the safety swim floats installed at the Tahoe Commons.

## RESIDENTS OF TAHOE ASKED TO REGISTER

Voters in the Kings Beach and Tahoe Vista areas at Lake Tahoe have only a short time left in which to qualify to vote at the special election scheduled by the North Tahoe Public Utility District to pass a bond issue to make the district eligible for matching funds to finance a sewer disposal project.

Residents not currently registered are urged to do so immediately. Those who have moved to another precinct since the last election are reminded that they must reregister.

Mrs. Irene Dunham, secretary for the utility board this week became a registrar and others are Dorothy Beck, Dorothy Kelly, Red Waddell, Eileen Wilen and Virginia Goodall.

While the date for the election has not yet been definitely set, voters are urged to qualify now.

## Committee Formed To Promote Bond Passage At Tahoe

TAHOE CITY— At a meeting of the Tahoe City Public Utility District leaders, details of the forthcoming bond election for Precincts No. 1 and No. 2 were laid.

President Wendell Russell opened the meeting which was attended by District Manager William Layton, Randy Dewante, engineer, and Paul Chamberlain, attorney.

William Zeibig was appointed as chairman of the cititzens' committee group urging passage of the bonds. Nancy Brodie is vice chairman; Dave Stollery, speaker assignments; Paul Rivard and Mac McPherson, finance; Nancy Brodie and Anita Ormsby, special publicity, and Betty Layton and Jim McCafferty, press.

President John Cheney of the Sierra Nevada Land Company said that his firm would start the ball rolling with a donation of $500. Rivard and McPherson will contact other business interests for donations and anyone interested in assisting may call them at 583-4252.

Proponents declare that Tahoe City has an opportunity to take a giant step in preserving the beauty of the lake at the election August 16 and the TCPUD has decided to hold the election at this time to kick off the whole program of about $20 million to solve the sewage problem.

The important reasons for the election at this time are:

1. To preserve the beauty of Lake Tahoe.
2. To obtain $2 million from the state.
3. To obtain $125,000 from the federal government for Tahoe City's share of the master program.
4. To obtain $500,000 from the federal government for both the Tahoe City and the North Tahoe Public Utility Districts.

## Three State Officers Join Truckee Squad

Three more California Highway Patrol officers have been added to the Truckee squad, replacing the two who have been assigned to the Auburn office and bringing the local squad up to a membership of 15 with two sergeants and a lieutenant.

Officers Robert Lehnor and Tom Davis have left for Auburn.

New officers on the local squad include Tom Hunt, an eight-year veteran from Hollywood, who with his wife, resides at Kings Beach; Keith Gilbert, a three-year officer from San Leandro, whose wife and their five children are currently living in Colfax, and Dennis Lupcho, also a three-year officer from Tahoe Valley, whose wife and three children are temporarily remaining in South Tahoe.

## EIGHT SINGING MEN TO OFFER CONCERT IN LOCAL CHURCH

The "Eight Singing Men" a choral group from Simpson Bible College in San Francisco with their accompanist will present a concert of sacred music, Monday, August 1 at 7:30 p.m. in the Sierra Bible Church Hall, Sheritt Building in downtown Truckee.

The concert will consist of a blending of hymns, gospel songs and Negro spirituals and the piano offerings of Miss Darlene Hamilton of Santa Rosa, who accompanies them. Traveling with the group is a representative of the faculty of Simpson Bible College, an accredited four year, co-educational college of The Christian and Missioinary Alliance. Simpson specializes in training for church-related occupations but also includes a pre-educational program.

The Sierra Bible Church and its paster, the Rev. J. Harold Howard extend a cordial invitation to the public to attend this sacred concert. A free-will offering will be received.

**WSCS MEET**

Mrs. Lyle Hubbard will preside at a meeting of the WSCS to be held in her home on East River Street at 8 p.m. Wednesday, Aug. 3.

**LIQUOR CHARGE**

Anthony D. Vigergar, 24, Truckee, was booked at the local jail and held under $440 bail after being charged with supplying intoxicating beverage to a minor. He was arrested by sheriff's deputies on July 18.

## Last Rites Today For Pete Lazzari, Local Hotel Man

Mass was recited by Father Patrick Coffey at the Assumption Catholic Church this morning at 10 a.m. for Peter R. Lazzari, 70, a resident of Truckee for the past 54 years, who died here Sunday night. He had been in ill health for a number of years.

Rosary was held at the Truckee Colonial Mortuary Wednesday at 8 p.m. Burial will be in the family plot in the Mountain View Cemetery in Reno.

Lazzari was a native of Italy, born May 6, 1896. He came to this country 54 years ago and had made his home in Truckee since that time. For the past 34 years he and his family have operated the Donner Hotel and restaurant, currently under the management of his son, Lester.

Besides his son here, Lazzari is survived by his wife, Edith of Truckee; another son, George of San Francisco, a sister, Mrs. Francesca Esola of Sacramento and another sister in Lucca, Italy. August Esola of Sacramento is a nephew.

## Youths Are Hurt In Truckee Crash

Five Sierraville youths, a San Francisco man and three young women from Vallejo now attending a Girl Scout camp at Emigrant Gap, were involved in a serious accident which sent two of them to the hospital at 11:05 p.m. Friday.

The accident occurred in the same place where three youths were killed and four injured recently at the overpass on I 80 just east of Truckee.

The California Highway Patrol reported that a car driven by Peter Bechen, 19, Sierraville and occupied by Terry McKurtis, Fred Griffin, both 19 of Sierraville, Henry Muller, 19, San Francisco and John Bechen, 21, Sierraville, struck a car driven by Heidi L. Suchorski, 19 and passengers, Carol MacDonald, 21, and John Shipley, 22, all of Vallejo which was attempting to get on the freeway.

Peter Bechen and John Bechen were taken to the hospital. Griffin and Peter Bechen were cited for having beer in the car, the CHP reported.

## Drs. Nelson, Hall To Associate In Reno

Local friends of both Dr. L. D. Nelson and Dr. Wesley W. Hall will be pleased to learn that the two are now associated in the practice of general medicine and surgery at the office of the latter in Reno.

The association was revealed in a professional advertisement in a Reno newspaper Sunday.

Dr. Nelson practiced in Truckee for a number of years immediately following his graduation and internship in Southern California. Dr. Ray Wiser took over his practice here when the family moved to Tiburon. Later the Nelsons went to Altos. For some time, Dr. Nelson has been on the emergency staff at Washoe Medical Center in Reno.

The Nelsons have established their home in Reno, according to word received by friends here.

Dr. Hall is also known in Truckee and is chairman of the board of the American Medical Association and in line to become that organization's next president.

## VACATIONER DIES OF HEART ATTACK

Mrs. Sally Benjamin Neely, 53, who had been vacationing at Tahoe City, was pronounced dead on arrival at the Tahoe Forest Hospital, the apparent victim of a heart attack.

Mrs. Neely had resided at West Sacramento with her surviving husband, Cecil. She was a San Francisco native, born October 29, 1912.

Surviving beside her husband are two daughters, Mrs. Marian Landis of Roswell, N. M. and Susan Neely of West Sacramento and three sisters, Mrs. Dolly Brown of Vallejo, Mrs. Myrtle Clancy of Oakland and Mrs. Anna Ladd of Santa Rosa. The Truckee Colonial Mortuary shipped the body to Vallejo for funeral services.

## Flower Show Will Be Held Saturday In Local Firehouse

The meeting room at Truckee Firehouse is being transformed into a lovely spot to display all the interesting flower arrangements that will be exhibited Saturday from 1 to 5 p.m,

The event is sponsored by the Sierra Tinker Belle Garden Club, and Chairman Gladys Dolley expects exhibits from Reno, South and North Tahoe, Sacramento as well as Truckee and Donner.

A lovely plaque made by Marge of Greenville with pine cones and dry things will be an award.

Tickets are 50 cents each.

## Garage Burglary Nets Robber $85

Sheriff's deputies are investigating the burglary of Osburn's Garage and the Allied Auto Parts store adjoining the garage which occurred sometime Saturday night.

Sergeant Roy Waters said the thief broke open a door between the garage and parts house and used an acetylene torch taken from the garage in an effort to open a safe in the parts store. While nothing was reported missing from the latter store, $85 in cash was stolen from the garage. The investigation was made by Deputy C. E. Shoemaker.

The burglary was reported by Richard J. Hoffman, who is employed at the parts house.

## Raise Authorized For Elected Officers

At the suggestion of Supervisor H. G. Loehr of Truckee, the board of supervisors of Nevada County Tuesday voted to allow recent salary increases for county employes to be applied to five elected officials.

They are the constables and judges of the judicial district courts. The across the board raise amounts to $13 a month, while an additional $25 a month is allowed for cost of living in the eastern end of the county.

Previously the board had granted the raise but excluded the five elected officers.

## Seven Babies Are Born At Hospital

The Tahoe Forest Hospital nursery has been comfortably filled with newcomers recently, beginning with the arrival on July 16 of Michel Neal, the son of Mr. and Mrs. John Kearns of Tahoe City. The lad's weight was 8 pounds, 13¼ ounces.

Mr. and Mrs. Lyman Kettle of Truckee named their con Mitchel Martin after he arrived on July 17, with a first weight of 8 pounds, 12 ounces.

Mr. and Mrs. Roger Tofft of Truckee welcomed Kirsten Lee on July 20, who tipped the scale at 7 pounds, 10½ ounces.

Mr. and Mrs. Jesse Frank Martinez of Incline Village gave their son, born July 24 his father's given names, with the addition of Jr. Young Jesse weighed in at 5 pounds 4¾ ounces.

Also arriving on the 24th was Brenden Raymond for Mr. and Mrs. William Biggs of Carnelian Bay. His first weight was 7 pounds, 11 ounces.

Rev. and Mrs. William Marx of Kings Beach named their daughter who arrived July 26, Katherine Marie, her weight was a plump 8 pounds, 2 ounces.

Mr. and Mrs. Stanley Call of Truckee welcomed a girl also born July 26. Her weight was registered at 8 pounds, 1½ ounces and her first names were not as yet decided upon.

## AUTO ACCIDENT IS BASIS FOR ACTION

NEVADA CITY — Sherman Reams and Sam Medford are seeking damages of $10,000 each from Rosalie Maxie Smith as a result of an automobile accident July 18, 1965.

The complaint states the defendant was negligent and Reams and Medford were injured when their vehicles collided on Star Route 89, near West River Street in Nevada County.

## Board Advances Official Action To Form Co. Chamber

In keeping with the suggestion from the board of supervisors, President Daven Morey, at the meeting of the Truckee-Donner Chamber of Commerce yesterday, named Ivan Tofft as the representative from the local chamber on the county chamber and proposed the names of James Harris and Jack Ellis as appointees by Supervisor H. G. Loehr.

Members of the chamber expressed indignation over the fact that the resolutions forming the chamber were adopted a week prior to the previously announced date for action announced for August 2.

Although it was announced previously that final action of dissolving the Nevada County Board of Trade and replacing it with a county chamber of commerce would not be taken by the board of supervisors until August 2, the two required resolutions were adopted by the board Tuesday.

The vote was four to one, with Supervisor H. G. Loehr of Truckee casting the lone vote against the proposal.

As a result of the advanced action, protests from Truckee-Donner interests were avoided and the Truckee-Donner Chamber now will have one representative on the board, Supervisor Loehr will appoint two members, giving this area three out of the 15-man board.

The board of trade, which in the opinion of many, has accomplished a good job at minimum expense, will go into the discard. The new organization will be supported by a county-wide tax, plus memberships from the five chambers and individual merchants.

Objection to the chamber was voiced by those who have made a study of other similar organizations where administrative costs have far exceeded the promotional costs and where advantages are gained in the more populated centers, ignoring the needs of the smaller communities.

Other chambers to be involved in the county organization are Grass Valley, Nevada City, North San Juan and Rough and Ready, each having an equal voice and all, except Truckee-Donner being located in the western end of the county.

Similar moves to form a county chamber were made in the past but were vigorously opposed by the the eastern end of the county on the basis that there is a wide difference in the areas of promotion and the plans were dropped.

## Basketball Clinic Is Beacon Hill Project

SODA SPRING — Between 65 and 70 boys from the age of 11 to 18 are participating in the first annual Basketball Instructional Camp at Beacon Hill Lodge where some of the top coaches in the country are providing instructions on the openair court in the rear of the lodge.

The instruction will continue from July 25 through August 6, Dick Eiselt, owner and manager of the lodge declared. The boys attending are from all parts of the west and are quartered in the dormitory of the lodge.

Among the coaches in attendance are Jack Gardiner of the University of Utah, Dick Edwards of the University of Pacific at Stockton, Neenie Campbell of William & Mary, Bob Edwards from Highlands High at Sacramento and George Melby of Carmichael.

Eiselt said that TV station 3 in Sacramento plans to film the camp as well as other scenic spots on Donner for a special showing in the near future.

## SCOTCH FOURSOME IS PLANNED BY GOLFERS

The Ponderosa Golf Club will hold a Scotch foursome on July 31 at 4 p.m. and all members of the club are urged to participate. Each one is to bring their own dinner.

In the Ladies Day 9-Hole Scramble Bogie last Thursday, Mike Ellis led the field, with Georgiana King second and with Betty Kielhofer taking low gross honors with a 46.

## OVERNIGHT CAMP IS SET FOR AUGUST 4

Truckee-Donner Recreation and Park District will sponsor and overnight campout for boys and girls seven to fourteen years of age August 4. The campout will be held at the Truckee-Donner Park and it will start at 4:30 p.m. and end at 8:30 a.m. the following morning.

The cost for the campout will be $1.00 per child, which will cover two meals for each camper. Boys and girls should have sleeping bags, flashlights, warm clothing and a ground tarp which is optional.

# Today's Indians Extend Hand Of Friendship To Summer Vacationists

Nobody speaks with a forked tongue about today's Indians.

At least not if they're talking about the progress many tribes are making in attracting tourists to their reservations during the summer. The Bureau of Indian Affairs has even launched a program with the theme: "See America first with the first Americans," the idea being to get you to stop by at a reservation on your way to or from your vacation jaunt.

They — the Indians, that is — have even got Dan "Hoss Cartwright" Blocker of the NBC-TV Bonanza show to do a mess of spots for them on radio and TV.

"Many reservations are areas of unspoiled, scenic beauty" says Dan, "and they offer some of the finest recreation spots in the country. Fishing, especially, is outstanding."

Take the State of Minnesota, for example: one of the areas that Blocker mentions in his radio spots. On the Greater Leech Lake Reservation, in North Central Minnesota, there are almost 25 thousand acres belonging to the Chippewa Indians. It's one of the finest recreational areas in the State with many tourist camps and resorts and plenty of fishing area.

At White Earth Reservation, the Chippewas have an additional 56 thousand acres in the western part of the State, featuring an annual Indian Pow Wow in June, and boating, hunting, fishing and swimming all summer long.

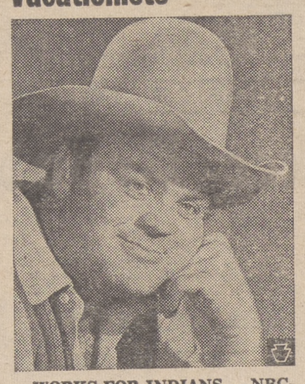
In northern Minnesota, along the lower Red Lake and about 30 miles north of the town of Bemidji, there's the beautiful Red Lake Reservation of over 564 thousand acres, populated by 2,900 Chippewa Indians. You'll see Indian owned fishing and logging industry here, interesting examples of Indian art, and there's plenty of fishing in the many lakes and streams all around the area for trout and the famous northern pike.

The Bureau of Indian Affairs says that facilities on Indian reservations can range from some very fancy ones, complete with lodging, swimming pools and hot baths, to simple trails through wooded forests. If you like to rough it, there are still places where you can blaze a trail. If you like comforts with your out-of-doors enjoyment, you're not limited in your choice, either.

If you tarry, you can expect to drop a little wampum for handicrafts, a fishing license or a guide. A letter to the Bureau of Indian Affairs, Washington, D. C. will get you a list of the 25 States with federally administered reservations and a free map of those areas.

As Dan Blocker says: "When you take a vacation in Indian territory today, you're going to see some beautiful scenery, get in some good fishing, relive historical moments, and at the same time you're helping these Americans help themselves, economically."

Good medicine.



WORKS FOR INDIANS — NBC-TV's Dan Blocker has contributed his services to the Indian economy by making a series of radio and TV spots telling of the advantages of visiting Indian Reservations for fishing, scenic beauty and historic sites.

# Women Pilots Set Achievement Pace

Five women flyers at Tahoe-Truckee Airport are currently seting a fast pace in aviation achievements for the area. Three of the five women pilots own their own aircraft, and are working hard toward higher and more important FAA licenses.

Most experienced of the group is Pauline Way, who has over 1,200 hours in the air, owns her own Cessna Skylane 182 which she purchased last April, and is the holder of a commercial pilot's license. Pauline flies a daily air patrol for Fibreboard Products, many and varied timbering locations over a wide area surrounding Lake Tahoe's north shore, and bases her aircraft at Truckee-Tahoe airport. This is her seventh year of flying, and she is more deeply engaged in the sport than ever as head of the local Hi-Flyers Club which so capably staged the fly-in at the local airport facility last month. She is married, has 2 daughters, and lives in Kings Beach, where, in addition to her flying activities she is also an agent for an insurance company.

Pat Wilhite, who lives at Hobart Mills near Prosser Lake, decided to learn to fly in September of 1965 when she bought her own Cessna 172 which she keeps at Truckee-Tahoe Airport. She is presently the holder of a student pilot license, and is about to complete requirements for obtaining her permanent private pilot's license. She handles the 172 like a "pro" and includes in her tie-down and pre-flight procedure the installation of a diaper, which she had specially made for her aircraft nose-cowl to keep the local bird population from nesting in her engine nacelles. She is a seamstress and tailor, by profession, but prefers her growing hobby of flying, which her husband, Charlie, is also beginning to follow.

Geri Bean started her flying career June 17 of this year, when she took her first flight lesson at Truckee-Tahoe Airport. July 18, just a month later, was a memorable day for Geri, when she made her first solo flight and took the Cessna 172 up into the air alone for the first time. She has two brothers who have flown for years in Alaska, and she is determined to equal their proficiency . . . . toward which she is well on the way, having already passed her FAA written examination for private pilot. She has taught first grade at Tahoe Lake School for 14 years, where she will continue educating the youngsters

# LAKE ECHOES
**BY BETHEL**

William C. (Bill) Drulias was given a bon voyage party by his wife, Pearl, at their Kings Beach home prior to his departure for Greece. Cocktails preceeded a Greek barbecue which guests pronounced a gourmet's delight.

The Royal Arch, of which Bill is a member, presented him with key rings to be given as souvenirs while he is in Greece and two money trees. However, Bill is leaving the trees since they will no longer bear fruit after the first harvest. He will join Mr. and Mrs. Walter Melrose in Athens and John Itta who is enroute via ship. Bill will visit friends and relatives there for the first time in 52 years.

Guests were Bob and Tally Daneri, Ken and Lou Hiatt, Bern May, J. C. and Inez Jordan and granddaughter, Loni Yopp, Jimmy Hume, Ann Bell, Lee Wallace, Jetta Steward, Irene Russell, John and Jerry Rayburn, Ken Scotland of Sacramento, Bob and Genevieve Jenkins, David Mays, Ernie and Mary Macon and daughter, Vicky, Jan and Ginny Parsons, Jerry Niday, Irene Kaiser, Jesse and Maize Blair, Lou Currio, Susie Rogan, Don Rose.

Our best wishes for a happy flight and visit.

* * *

Irene Russell is a new resident of Incline Village, having accepted a fifth grade teaching position at the school. Irene was formerly a singer with The Layton Sisters and her talents were greatly appreciated at the Drulias barbecue.

* * *

Sven and Gerda Hildebrant of Lafayette are visiting friends on the North Shore. Chatted with Bethel Wednesday at the North Shore Club where they dined.

* * *

Sunday guests at the Incline Beach home of Ted and Pearl Draney were Bill and Alice Aversult, Jerry and Joanne Tucker, Timmy and Linda Vieu and children, Timmy and Tammy, all of Fair Oaks, Nelson Harris of South Tahoe, and Carol Harris of Incline Village.

* * *

The Republican Women's Club of Crystal Bay and Incline Village sponsored a steak cookout at the Ponderosa Ranch Tuesday night. Among those participating in the social evening were Messrs. and Mesdames Robert Jenkins, William Kisiluk, William Anderson, Maurice Lahmeyer, Hewitt Clark, Bert Jakobson, Charles T. Kendall, Gary Mullard, Ray Plunkett, Al Kuckoff, Marvin Klassen, James McGrew, James McCourry and Richard Royce, Bruce Campbell, Virginia Bermingham, Barbara Phillips, Andrea Phillips, Hildegard Willmann and O. R. Beaman.

Emira Sudairy and children, Ziad, Magah Mai and Sherrifah enplaned from San Francisco to England last week to join husband and father, Prince Torki Ben Al Sudairy. From England they fly to Berrout, Lebanon and thence to Ryiad, Arabia, where their new villa is in readiness. The Emira is the daughter of Ryland and Flo Goodspeed of Crystal Bay who enjoyed a several months visit.

They accompanied daughter and grandchildren to San Francisco to bid them farewell until next year.

Winifred Howard will leave shortly for Arabia to join the Sudairys.

* * *

Jeff Richman of Dallas, Texas, was a houseguest of Marian and Virginia Stekol and daughter, Beverly, at Incline Village this past weekend.

Friends are sorry to learn of the anticipated move from Incline Village to Orinda of Marion and Virginia Stekol. Marion hash been active in developing at Incline Village and Tahoe Keys. The Stekols will retain their Tahoe home for summer and will make the move in time for daughter Beverly to enter the eighth grade.

Virginia has been an officer in the Women's Club of North Tahoe which will also miss her efforts in their behalf.

Happy birthday to Vera Mosier of Crystal Bay who says she was a proud 78 years old on July 27th. Vera is still operating her resort during the summer season and spending her winters in Hawaii. Vera is an inspiration to all who know her, especially three years ago when she made the 50 mile hike in Hawaii and this year just returning from a round the world tour.

Vera's son, Rod Campbell, observes his natal day on August 5th.

Jack and Norine Crom of Incline Village entertained at a barbecue Sunday for guests, Dr. Joseph and Barbara Furlong, Harold and Arlene Larsen, Dick Whitney and Ed Boyer.

The Croms have had a busy couple of weeks — Jack and sons, Joe and Chris, made a trip to Eugene, Springfield and Portland, Oregon, returning by way of Eureka to pick up daughter, Judy. Judy had been a houseguest of Debbie Sutton. Norine was accompanied to the bay area by daughter, Susie and Christine Fadda, where the girls visited Christine's aunt, Mrs. Robert Munson in Oakland while Norine was a guest at the Robert Kennedy home in Oakland.

# Emergency Is Best Test For Drivers

What would you say is the best measure of driving ability?

Is it the way a driver shifts gears? Is it the way he backs up with a trailer hooked on his car? Is it perfect mechanical knowledge about his car? How about knowledge of driving laws?

What is the best test?

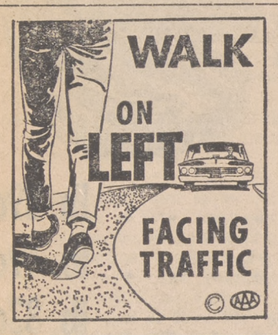
The best test, according to O. P. Ledford, Officere-in-Charge of the California Highway Patrol in Truckee, is to see how a driver reacts when he is placed in a situation where, because of the carelessness of another driver, an accident seems inevitable.

"The good driver will pull through without an accident while the poor driver will become involved," he declared.

"Of course, the good driver tries to avoid situations which cause accidents by being on his guard at all times and driving legally, but it is no consolation to know that it was the other guy's fault.

"There are times when the recklessness, ignorance or stupidity of another driver make it almost impossible to avoid an accident, but most accidents can be prevented with some skill and a lot of forethought."

The history of the apricot dates back 4,000 years to ancient China and Japan.



# DAUGHTER OF LOCAL WOMAN IS MARRIED

Mrs. Harold G. Williams of King Cole Beach Chalet at Donner Lake has announced the wedding of her daughter, Miss Pamela Jane Nack, to David Burton Tooker in Pasadena on July 1.

The ceremony was performed in the evening at the Neighborhood Church, following which a reception was held in the La Canada country club. The couple will make their home in Los Angeles.

Mrs. Tooker is a granddaughter of King Cole of Donner Lake. Miss Emily Louise Nack, sister of the bride, also of Donner Lake, was the maid of honor for her sister and her brother, Alan H. Nack of Truckee, was one of the ushers.

Two hundred and fifty guests witnessed the impressive ceremony, among them the bride's grandparents, Mr. and Mrs. Ulysses S. Nack of Sheboygan, Wisconsin.

**To Live Here —**

Miss Barbara Corbett has arrived here from Carroll, Iowa, to make her home with her father, John Corbett. The young woman is completing a course in teaching and plans to make her permanent home here.

**Travelers —**

Mr. and Mrs. Harold Langille and Mr. and Mrs. Al Perino recently visited at Gerlach, Nevada. The Jim Leamon family of South Tahoe stopped here to see the Langilles, enroute from Sacramento.

**Nevada License—**

A Nevada marriage license was issued to Maurice Vernon, 21, and Judith Clayton, 24, both of Tahoe City.

**From Capital —**

Mr. and Mrs. Doug Barrett and daughter, Phyllis, of Sacramento visited Truckee last weekend.

Most children have a natural inclination toward good telephone usage. They answer politely, take messages correctly, call you to the phone quickly—and do not use the telephone as a toy. This pays off for parents, too . . . in compliments from friends who have talked with your children, in the valuable training that the children receive, and in getting your own incoming messages correct.

**50 years ago, the San Francisco Press Club was entertained by Enrico Caruso. However, the operatic tenor was singing in Atlanta, Georgia! This was 1916—eight years before the first coast-to-coast broadcasting hookup. Caruso used the lone transcontinental telephone line for his 3,000 mile "O Sole Mio!"**

We may have discovered a new secret to cooking. A few Sundays ago, a young newlywed realized that she didn't know how long her dinner should cook. She just called mom back East, and got the answer —and all the latest news about her friends as well! Remember, on all out of state calls—station-to-station rates are never lower than *all day long* on Sunday.

How did an inexperienced telephone operator answer a caller's request to notify him when his 3 minutes were up? The operator, now a cool-headed veteran, says, "I was still new at my work, so at the end of the three minutes I came on the line and said, 'Sir, your time has come.'" The operator can smile about her "goof" now. But she was disturbed at the time—and I'll bet her customer was too!

## NOTICE OF IMPROVEMENT SOUTH DONNER LAKE STREETS AND DRAINAGE PROJECT

NOTICE IS HEREBY GIVEN that on the 1st day of March, 1966 the Board of Supervisors of the County of Nevada, California, adopted its Resolution of Intention No. 66-42, subsequently amended, wherein it did declare that in its opinion the public interest and convenience required, and that it was the intention of said Board to order the following acquisitions and improvements in and for said County, to wit:

(a) The opening, widening and improving of South Shore Drive from U. S. Highway 40 to Donner Lake Drive, Donner Lake Drive from South Shore Drive to a point about 8675 feet easterly (including a stub street from about Donner Lake Drive station 50+22.11 southwesterly about 320 feet), Tamarack Road (East) from Old Highway Drive to South Shore Drive, Washoe Road for its entire length from Summit Creek Drive to Summit Creek Drive, Fawn Street and Salmon Street for their entire lengths from Washoe Road to Washoe Road, Summit Creek Drive from Washoe Road to Old Highway Highway Drive, Old Highway Drive from Summit Creek Drive to South Shore Drive, Tamarack Road (west) and Ute Drive for their entire lengths from Old Highway Drive to Old Highway Drive, Willow Street and Fir Street from South Shore Drive to Aspen Street, Pine Street from South Shore Drive to Cottonwood Street, Spruce Street from Maple Street to Cottonwood Street, Cottonwood Street from Maple Street to Pine Street, Conifer Drive from Cottonwood Street to Donner Lake Drive, Aspen Street from Willow Street to Spruce Street, Maple Street, Cedar Drive, Dogwood Street and Larch Street from South Shore Drive to Conifer Drive, Point Drive for its entire length as a one-way street from Donner Lake Drive to Donner Lake Drive, Red Mountain Road from Donner Lake Drive to Mt. Judah Drive, Mt. Judah Drive from near Devils Peak Road westerly about 1265 feet, and Devils Peak Road from Mt. Judah Drive southwesterly about 590 feet by clearing, grubbing, excavation, grading and the construction therein of base pavement and asphaltic concrete paving and storm drainage pipes, culverts, ditches, berms, encasements, structures and appurtenances as required for adequate drainage, relocating utility poles and facilities and water and fuel lines and structures and fencing, where necessary.

(b) The acquisitation of storm drainage easements required for adequate drainage and the construction therein of storm drainage pipes, culverts, ditches, structures and appurtenances.

(c) The acquisition of easements adjacent to roads as necessary to facilitate snow removal and stacking by County forces.

(d) The construction of road bridges at South Shore Drive and Summit Creek and Summit Creek Drive and Summit Creek, including necessary piling, railing and all appurtenances.

(e) The acquisition of all lands, easements and rights and the construction of all work auxiliary to any of the above and necessary to complete the same.

All of said work and improvements are to be constructed at the places and in the particular locations, of the forms, sizes, dimensions and materials, and at the lines, grades and elevations shown and delineated on the plans, profiles and specifications preliminarily approved therefor by the Board of Supervisors of said County and on file for public inspection in the office of the County Clerk of the County of Nevada.

Notice is hereby given of the fact than in many cases said work and improvements will bring the finished surface of the ground to a grade different from the surface as it now exists, and that to said extent said grades will be changed and that said work will be done to said changed grades.

Said contemplated acquisitions and improvements, in the opinion of said Board, are of more than local or ordinary public benefit, and the costs and expenses thereof are made chargeable upon an assessment district, the exterior boundaries of which district are the composite and consolidated area as more particularily shown on a map thereof on file in the office of the County Clerk of Nevada County to which reference is hereby made for further particulars. Said map indicates by a boundary line the extent of the territory included in the proposed district and shall govern for all details as to the extent of the assessment district.

The estimated cost of said project is $1,027,009.33.

Notice is hereby given that serial bonds to represent unpaid assessments, and bear interest at the rate of not to exceed six per cent (6%) per annum will be issued hereunder in the manner provided by Division 7 of Streets and Highways Code, the Improvement Act of 1911, and the last installment of such bonds shall mature not to exceed fourteen (14) years from the second day of January next succeeding the next September 1st following their date. Said bonds shall be made payable to bearer and provide a premium of 5% of the unmatured principal thereof on call.

The descriptions of the acquisitions and improvements and the termini of the work contained in the Resolution of Intention, as amended, are general in nature. All items of work do not necessarily extend for the full length of the description therof. The plans and profiles of the work and maps and descriptions, as contained in the Engineer's report, shall be controlling as to the correct and detailed description thereof.

Except as herein otherwise provided for the issuance of bonds, said work shall be done pursuant to the Municipal Improvement Act of 1913.

Reference is hereby made to proceedings had pursuant to Division 4 of the Streets and Highways Code, all on file in the office of the County Clerk of Nevada County.

Notice is further given that the Project Engineer pursuant to said Act and said Resolution of Intention, as amended, adopted pursuant thereto, did on the 19th day of July, 1966, file with the Clerk of said Board his report in writing on said acquisitions and improvements, consisting of plans, profiles, specifications, estimates of costs and incidental expenses, diagram and assessment, maps and descriptions, and said Board did on said date consider and examine said report and by resolution preliminarily approved and confirmed same and ordered that said report shall stand as the report for the purposes of all subsequent proceedinggs had pursuant to said Resolution of Intention, as amended.

NOTICE IS FURTHER GIVEN that Tuesday, the 23rd day of August, 1966, at the hour of 1:30 o'clock P. M. of said day, in the regular meeting place of said Board, Supervisors Chambers, Court House, Nevada City, California, are the time and place appointed and fixed by said Board when and where it will consider and finally determine whether the public interest, convenience and necessity require said acquisitions and improvements, and when and where it will consider and determine whether the owners of a majority of the area of the property in the proposed assessment district have protested against said acquisitions and improvements or any portion thereof, and when and where it will consider and finally act upon the Engineer's report filed pursuant to said Resolution of Intention, as amended, and when and where it will hear all protests in relation to said proposed acquisitions and improvement, or to the grades at which said work will be done, or the extent of the assessment district, or to the Engineer's estimate of the costs and expenses thereof, or to the proposed diagram and assessment, or to the maps and descriptions, and that any person interested may file a written protest with the County Clerk of Nevada County at or before the time set for the hearing referred to herein.

Reference is hereby made to said Resolution of Intention, as amended, and said report, including plans, profiles, specifications, estimates of costs, diagram and assessment, and maps and descriptions for a more particular description of said acquisitions and improvements to be had and done, and for further particulars, all on file in the office of the County Clerk of Nevada County.

Dated: July 19, 1966.

## NOTICE INVITING SEALED PROPOSALS OR BIDS SOUTH DONNER LAKE STREETS AND DRAINAGE PROJECT

Pursuant to the Municipal Improvement Act of 1913 and the resolution directing this notice adopted on July 19, 1966, by the Board of Supervisors of the County of Nevada, said Board invites sealed proposals or bids for the grading of streets, construction of roadway base and pavement, bridges and concrete structures and grading of diversion ditches and appurtenances, as more particularly described in Resolution of Intention No. 66-42 adopted by said Board on March 1, 1966 and subsequently amended, which resolutions are on file in the office of the County Clerk of Nevada County and to which reference is hereby expressly made for a more particular description of the work to be done.

All of said work is to be done at the places and in the particular locations, of the forms, sizes and dimensions and of the materials, and to the lines and grades and at the elevations as shown and delineated upon the plans, profiles and specifications made therefore and preliminaryly approved by said Board on July 19, 1966.

Payments will be made in cash by said County of Nevada to the contractor in accordance with the provisions of the specifications and on itemized estimates duly certified and approved by the Project Engineer submitted in accordance therewith, based on labor and materials incorporated into said work during the preceding month by the contractor. However, notice is given that a period of 30 days is given to the property owners in which to pay their assessments, and if cash collections are insufficient to meet such monthly estimates, there will be a delay in making such payments until money is received from the sale of bonds issued upon the unpaid assessments.

Notice is hereby given that on July 19, 1966 the Board adopted a resolution determining the general prevailing rate of per diem wages to be paid to the various craftsmen and laborers required to construct said improvements, a copy of which wage scale is hereto attached and made a part hereof, and also contained in and made a part of the specifications for said work, to which reference is hereby made for further particulars.

All proposals or bids shall be accompanied by a cashier's or certified check payable to the order of the County of Nevada amounting to ten per cent (10%) of the bid, or by a bond in said amount and payable to said County of Nevada signed by the bidder and a corporate surety, or by the bidder and two sureties who shall justify before any officer competent to administer an oath, in double said amount and over and above all statutory exemptions. Said check shall be forfeited or said bond shall become payable to said County of Nevada in case the bidder depositing the same does not, within 15 days after written notice that the contract has been awarded to him, enter into a contract with the County of Nevada.

Contractor shall furnish to County of Nevada a faithful performance bond and labor and material bond as required in said specifications.

Said sealed proposals shall be delivered to the County Clerk of the County of Nevada on or before 2:00 o'clock P. M. of the 16th day of August, 1966, County Clerk's Office, Court House, Nevada City, California, said time being at least fourteen days from the time of publication of this notice. Bids will be publicly opened, examined and declared on said day and hour, and referred to and considered by the Board at its meeting at 1:30 o'clock P. M. of the 23rd day of August, 1966.

A copy of the plans and specifications may be obtained from Clair A. Hill & Associates, 1525 Court Street, Redding, California, and Murray & McCormick, (P. O. Box 1476) Tahoe Valley (Tahoe Keys), California upon deposit therefor of $20.00, which will be refunded if said plans and specifications are returned in good codition within 10 days of receipt of bids.

Dated: July 19, 1966.

THEO. A. KOHLER, JR.
County Clerk of the County of Nevada

# DONNER DOINGS

By Mrs. Carson "Vi" White

Avast there. Open the scuppers. Drop the mizz'n mast. Oops, too late. We are now at half mast. A gusty wind ripped at our 24 foot mast and down she came, sails and all. Anyone know where we can get a new 24 foot aluminum mast?

A few others tipped over too on Sunday, but no damage was sustained by them. The water skiers were lucky the weather was so good on Saturday because there were so many competitors swinging through the buoys. It was ideal for the kite flying skier who rose a good 50 feet above the water when towed against the wind.

* * *

Donner Lake Lodge was going full blast like times of old with dozens of dancers enjoying the swiging tunes Saturday night. A few of those five dollar fish were caught near Donner Shore Resort tagged with the green markers. According to Jack Marquette, more than 200 of these were planted a week ago . . . It's like hitting the jackpot.

Our son, Charlie just graduated from Officer Candidate School at Fort Gordon, Georgia and was able to visit us this week and enter the water ski meet. Lieutenant Charlie was taken for a ride by Dr. Brodie on the 50 foot Reverie for a memorable trip to Sunnyside and Emerald Bay with the Richard Holmans from Sonora.

* * *

Who says there is no action at Donner? Guests at Lochleven Lodge really enjoyed themselves at an impromptu wedding. Seems a couple that just checked in from San Diego decided one room was cheaper than two for a week. Miss Edith Sherwood and Don Sanchez were united by Rev. Marx from the Truckee Methodist Church at 4 p.m. on the lower deck. All guests staying at Lochleven participated in the Champagne reception and a good time was enjoyed by all.

* * *

Cottage Pines took on an international flavor when a group of Japanese visited the Lodge bringing a surplus of Sukiyaki. The barbecue area was filled with happy guests supplying one of the favorite Japanese dishes and a few freshly caught rainbows.

* * *

The David Helms of Walnut Creek will open their lakefront cabin for the House and Cabin Tour at Donner Lake August 6 which will start from Donner Lake Lodge at 12:30 p.m.

Several members and children of the Sierra Tinker Belles Garden Club took a field trip to Crystal Peak Tuesday and were fascinated with the beautiful rocks and prisms to be found there.

The club is looking forward to their first Flower Show that will be held at the Truckee Firehouse this Saturday from one to five p.m.

Many of the rocks and dry things will be used in arrangements.

* * *

Lucille Quilici reports that the flagstone has been gathered for the patio area to be put in during the Hospital Work Day, August 7th. Lots of manpower is expected that day.

* * *

Fred Salisbury, owner of one of the nicest lakefront homes on Donner Lake, was recently cited by Varian Associates for performing outstanding engineering services while building Klystron tubes.

As senior engineering manager, Fred has pioneered much of the development of Klystrons for the past 25 years. He was also one of the founders of the company in 1948.

Assisting Fred in engineering techniques is Bill Maraschin, who also has a nice summer home on Donner Lake. They helped develop the first high powered Klystron tube and are now rapidly improving a new high powered traveling wave tube so much in demand in the new scientific world. Both are avid fishermen and often discuss intricate problems while dragging a line in China Cove.

## Vive Les Girls Show Goes Into 7th Week

CRYSTAL BAY — Going into its seventh smash week, the continental revue "Vive Les Girls" brings European excitement to the shores of Lake Tahoe at Nevada Lodge.

Staged nightly in Nevada Lodge's Topaz Room, the lavish show is an adult potpourri of glamorous showgirls, dazzling production numbers, fast-paced specialty acts — and the dynamic vocal talents of Gary Marshal, star of the show.

English-born Gary Marshal has called the U. S. home since 1963, when he joined Fredric Apcar's then-current "Vive Les Girls" show in Las Vegas. His exposure to American audiences was immediately successful, resulting in TV appearances on NBC's "Tonight Show" and on Art Linkletter's "Talent Scouts".

After one TV appearance, columnist Terrence O'Flaherty referred to Gary as a "new Robert Goulet" — a comparison which Gary finds flattering, but a severe test of modesty.

Gary likes to sing "good music" such as Broadway hits, current and standard ballads, and he likes to be backed by the "big band" sound, as he is with "Vive Les Girls".

In England he worked his way through the nightclub circuits, polishing his rich singing style, until in 1963 he was discovered in a London club by a "Vive Les Girls" representative. From there his career turned to Las Vegas and American popularity.

# GOOD NEIGHBORS PAY TAXES
## to support schools

Sierra Pacific Power Company is paying $79,800 in property taxes in Nevada County this year . . . enough money to provide more than 23,800 student-days of education for Nevada County youngsters.

Not all the money will go for schools, of course, but a substantial portion of our tax payment is invested in education or, more accurately, in the development of tomorrow's adults. The rest goes to finance government at all levels. Only investor-owned utilities PAY taxes. More than 11,000 people own shares of Sierra Pacific Power Company stock.

As taxpayers, as shareholders, as good citizens we think it's good business to pay our share of taxes for education and government. That's the American way, investing in the success of one another and sharing costs, with individual and corporate initiative the key to 190 years of past success and untold decades of success in the future.

The first aspirant from the Lake Tahoe area for a seat in the Nevada legislature is Fred Schultz of Incline Village who filed for a seat in the state senate last week. Fred is also the first to seek a legislative seat under Nevada's new reapportionment plan.

He filed as a democrat, running independently, when he became aware that the democrats would lose a chance to win senate seats by default as a result of a lack of candidates for the four senate seats.

Fred is a real estate broker at Incline Village, a former president of the Lake Tahoe Chamber of Commerce, helped organize the Lake Tahoe Airport of which he was a charter director until he resigned when he moved to Nevada.

Fred's wife, Alysmae is a teacher at the Kings Beach School. They have two sons, Randy, and Freddie who is married and in the Air Force being stationed in Japan.

## County Shares State Gas Tax Allocation

A record total of $123,695,721 in gas tax revenues has been appropriated to California's cities and counties, to be used for county road and street purposes, according to an announcement by the state department of public works.

This amount is the revenue from the state gasoline taxes paid by highway users and allocated to local agencies during the fiscal year July 1, 1965 to June 30, 1966. This is in addition to $12,000,000 state highway funds expended annually on city streets and county roads; $112,800,000 gas tax funds paid to counties for their road construction and is also in addition to the state highway funds and federal aid funds expended on state highways in counties and cities.

Nevada County received a total of $169,765.54, of which $40,530.81 went to Grass Valley; $21,739.74 to Nevada City, the report indicated.

State law requires the cities to spend at least 40 per cent of the .725 cent gas tax apportionment for construction of streets included within the select highway system as designated by the city council and approved by the highway commission. Up to 60 per cent may be spent for maintenance of city streets.

The cities also receive an allocation of state highway funds each year for engineering expenses. Amounts range from $1,000 for cities under 5,000 population to $20,000 for cities of more than half a million.

### At Newington Home—

Kathleen Evey, David Mack and children, David and Marilou, were recent guests of Mr. and Mrs. David C. Newington at their home on the Truckee River.

## TRUCKEE LEADING IN TRAFFIC FOR JUNE

A total of 1,027,062 vehicles were checked by the 18 border quarantine stations of the state department of agriculture, a slight gain over June a year ago.

The month showed a sharp decrease in the number of buses passing the stations — dropping from 4939 a year ago to 2540 this year — due to the Greyhound strike.

As is normal, the station at Truckee on I-80 had the busiest time. That station checked through 174,078 automobiles, 6195 trucks, and 418 buses for total traffic of 180,691.

# Women Pilots Set

(Continued from Page 2)

this fall during breaks in her flying schedule. She is looking ahead to the days when she will fly float planes, as well as multi-engine aircraft.

Susan Hack is the 22 year old wife of Peter Hack, one of the partners of Thomas Construction Co. in Tahoe City. She began her flying career only a short time ago, and has now transferred from the regular airport Cessna 172 trainer to her own Beechcraft Bonanza. She and her husband plan a flying trip to the Bahamas next winter, and she hopes to be ready to do most of the piloting on that trip by summers end. She has four brothers and two sisters, but none of them fly, so she is setting the aviation pace for her entire family by jumping in and learning to fly now. Susie is preparing for her private pilot written examination by attending groun dschool on Thursday night of each week at the new hangar building at Truckeke Tahoe Airport.

Fifth member of the fair flying set is Marcia Stanford of Tahoe City. She began her flying career two years ago at Mammoth Lakes, where she started off in a Piper Cherokee, and then continued her training in a more powerful Comanche. She has just passed her private pilot written examination in Reno, and is currently doing strenuous air work maneuvers to prepare for the flight check which is given each private pilot aspirant before the license is issued. Her main hobby, after aviation, is music in which she excels as a guitarist with a wide folk repertoire, and singing to her own accompaniment.

The flight school at Truckee-Tahoe Airport is operated by Cal-Nat Airways, with Jack Seabern, of Tahoe City, as flight instructor and ground school coordinator.

# 25 YEARS AGO

The following news notes were taken from the files of the Sierra Sun dated July 31, 1941.

The board of supervisors of Nevada County met this week to fix the tentative budget for 1941-42 and according to County Clerk R. N. McCormack, the current tax rate of $1.50 can be maintained. The Truckee school district's budget will require an 18 cent rate while the sanitary district will need 20 cents, the high school 14 cents and the fie district a 50 cent rate.

J. C. Lewis, in charge of the fish hatchery at Lake Tahoe, says 3,-615,000 trout of four different species, will be planted in the Truckee Tahoe area.

The Placer County Board of Supervisors this week voted to spend $1,000 for a new jail on the Commons at Tahoe City. Constable Harry Johanson has completed plans for the two-cell structure.

The Laughlin residence at Tahoe City has been leased by the telephone company and is being converted into a central office and living quarters for employes, Manager A. P. Leitch announced.

Mr. and Mrs. Henry Kaiser have donated a set of chimes and an echo organ and sound equipment to the outdoor chapel of the Episcopal Church at Tahoe City.

Mr. and Mrs. Pat Doyle are spending some time at their Donner Lake home while Pat enjoys a vacation from his desk at the Sacramento Bee.

**HOW TO GET RICH**
**SLOW** (but sure)

Every dollar you invest in Series E Savings Bonds grows 33⅓% bigger in 7 years and nine months. You can count on it.

It's not as exciting as drilling a wildcat oil well, or diving for sunken gold. But it's mighty reliable. Especially when you use the Payroll Savings Plan to help you make sure you buy Bonds regularly.

This famous plan takes the backsliding out of saving money by making it automatic. You just tell your employer you want him to set aside a small amount from your check each payday.

*($4.38 a week will add up to twelve $25 Bonds a year. But you can have more or less deducted as you choose.)*

Then you forget all about it. Savings come easily and almost painlessly. You never see the small amount that's deducted so you hardly miss it.

There's a unique satisfaction to saving money this way, too. Everytime you slip another Bond into your pocket, you know you're helping your country as well as yourself. Uncle Sam uses the money to help America resist the forces that threaten our freedoms.

Another thing about getting rich slow with U. S. Savings Bonds is that almost anybody can do it. So why not sign up for Payroll Savings before next payday?

*Quick facts about Series E Savings Bonds*

- You get $4 for every $3 at maturity
- You can get your money when you need it
- Your Bonds are replaced free if lost, destroyed or stolen
- You can buy Bonds where you work or bank

# Local Children Win In Junior Olympics

On Friday, July 22, the Truckee-Donner Recreation and Park District's boys and girls track team competed in the Sacramento area Junior Olympics. The squad was coached by Bill Notley, the district's recreation supervisor.

The team brought home a total of one silver medal, four bronze medals, three fifth place ribbons and one sixth place ribbon.

Capturing three third place medals for the team was Cindy Ferdinand, who ran in the eight and nine year old girl's fifty yard dash, the seventy-five yard dash and the standing broad jump.

Cathy Wilcox picked up a second place medal in the running broad jump, for fourteen and fifteen year old girls.

Jacquie Waller won her third place medal by competing in the running broad jump for ten and eleven year old girls.

Tom Jones, the only boy representing the district, placed fifth in the fifty yard dash for six and seven year old boys.

Carolyn Rose received her fifth place ribbon for the girl's eight and nine year old soft ball throw.

The girls relay team, composed of Mary Kay Rose, Sharon Mael, Cheryl Fitzgerald and Jacquie Waller finished fifth in the girls ten and eleven year old relay.

Competing in the Junior Olympics were teams from twelve recreation districts in the Sacramento area. Each contestant had to compete against twenty-four other participants in the preliminary trials. In order to get to the finals, they had to come in among the top six out of these twenty-four. Our team started with seventeen entries and out of that number, eight boys and girls made the finals. They were competing against approximately five hundred other boys and girls participating in the track and field meet.

# Myrna Wayman To Wed Doug Bulman

CRYSTAL BAY — The engagement of Miss Myrna Elizabeth Wayman of Crystall Bay to Douglas William Bulman of Kings Beach, was revealed this week.

Miss Wayman is the daughter of Walter H. Jumper of Cape Kennedy, Florida. She is a graduate of the Western High School at Amaheim and currently employed as a cashier at the Crystal Bay Club.

The groom to be is the son of Mr. and Mrs. William Bulman of Kings Beach. He is a graduate of the Tahoe Truckee High School and now employed by the Bell Telephone Company of Nevada at Incline Village.

A navy reservist of Reno, Bulman is scheduled to go on active duty in October.

The date for the wedding has been set for September 18.

# GROUP WANTS LAND AT TAHOE FOR PUBLIC

AUBURN — The influential Tahoe Regional Planning Commission last week urged that 64 acres of Federal land at Tahoe City, now managed by the Truckee Carson Irrigation District, be designated for use as a public recreation area.

**CARD OF THANKS**

For the lovely cards, flowers and many encouraging thoughts given during my recent stay in the hospital, I wish to express my appreciation for the Tahoe Forest Hospital staff, Dr Ray Wiser, Donner Florists and all my other friends for the consideration shown me.

THIS HEAT IS AWFUL

WOW--- 98 DEGREES --- I'M SWELTERING

I'LL PUT ON MY SWIM SUIT AND WALK DOWN TO THE BEACH FOR A COOL DIP

OH-OH---THE BEACH IS SO CROWDED I CAN'T EVEN GET CLOSE TO THE WATER

NOW I'LL HAVE TO WALK BACK HOME WITHOUT COOLING OFF

I THINK I'LL TAKE A SHORT CUT THROUGH THERE
